applicant has still to pay a sum of Rs 700/- to Govt. out of a loan of Rs 1000/- obtained in 1931.

11 Though a bulk of the previous Govt. loan is outstanding still, the estimated value of the property is high enough to admit of the recom^d loan of Rs 2500/-

SIR,

Regarding grant of Fruit Culture Loan to Mr. M.G. Shama Rao, Khayamguttadar, Garudapalya village, Malur Taluk.

I have the honour to forward herewith a copy of letter No.A.7-F.C.Loans.3/33-34 dated 23rd February 1934, from the Deputy Commissioner, Kolar District, recommending the grant of Fruit Culture loan of Rs.2,500/- to Mr. M.G. Shama Rao, on the security of his village Garudapalya, Malur Taluk for raising a fruit garden and to request that in the circumstances reported by the Deputy Commissioner sanction of Government may be obtained to the Deputy Commissioner's recommendation. As regards the disbursement of the loan amount, the Deputy Commissioner recommends that the entire amount may be paid to the party in one lump-sum instead of in instalments. This does not seem to be possible under the rules.

2. As only a sum of Rs.500/- is available at present out of the allotment sanctioned to the Kolar District under Fruit Culture Loan during the current year, the loan amount if sanctioned will be reappropriated out of the funds available under "Land Improvement Loan" head.

3. I request that orders of Government may be obtained in the matter early, as the official year is drawing to a close.

4. The connected records are sent herewith for reference

Letter No.A.7-F.C.Loans. 3/33-34 dated 23rd February 1934, from the Deputy Commissioner, Kolar District, to the Revenue Commissioner in Mysore.

Subject:- Fruit Culture Loans, application of Mr.M.G. Shama Rao, Khayamguttadar - Garudapalya village, Malur Taluk for a loan of Rs.2,500/-.

In forwarding herewith the entire file of correspondence ending with letter No.1748 dated 14th February 1934 from the Superintendent, Government Gardens, Bangalore (copy of which is herein enclosed) furnishing his opinion in the matter of the grant of a "Fruit Culture Loan" of Rs.2,500/- to the above applicant for the purpose of raising a fruit garden in the Kayamgutta Garudapalya village, Malur Taluk, I have the honour to state as follows:-

The records of the result of inspection of the lands in the Kayamgutta village made by the Assistant Director of Agriculture received through the Director of Agriculture discloses that the land in which the applicant proposes to further raise the fruit garden is quite suited for the purpose and the Director of Agriculture recommends that the loan applied for may be sanctioned.

The Sub Division Officer, Kolar who was asked to personally inspect the Kayamgutta village in question reports that he inspected the village in detail on 10th November 1933 and concurs with the recommendation made by the Director of Agriculture and endorses the items of improvement detailed by him. He further states that the market value of the village in the present depressed state of land is estimated to be Rs.20,000/-. The spot inspection report made by the Sub Division Officer, Kolar is also filed with the records.

It is seen from the encumbrance certificate from the Sub Registrar, Malur Taluk that the entire village was mortgaged to Government for a sum of Rs.4,000/- i.e., (1) a loan of Rs.3,000/- on 31st May 1919 and (2) a loan of Rs.1,000/- on 29th October 1931.

The applicant Mr. Shama Rao in his statement dated 28th November 1933 given before the Sub Division Officer has stated that the 1st loan of Rs.3,000/- has already been completely discharged. As

(4)

regards the 2nd loan of Rs.1,000/- he states that he has paid up Rs.374-2-0 as the 1st instalment and the remaining two instalments will be paid on due dates ----

The Sub Division Officer states in his letter No.N.Dis.R.3. Loan.9/33-34 dated 28th November 1933 that Mr. M.G. Shama Rao had produced before him the Treasury receipts in support of his having paid up the 1st loan of Rs.3,000/

As the above officers are satisfied as to the security offered and the desirability of the improvements proposed to be effected by the applicant, I recommend that the loan of Rs.2,500/- may be sanctioned.

Since the period allowed for discharging the loan is limited to [illegible] years under Rule 6 Clause (1) of the rules framed in Government Order No.D.6157-78/A. & R. 178-26-5 dated 12th December 1927 for the grant of such loans, it may kindly be ordered to be repaid in seven annual instalments and the repayment to commence after the 5th year of grant commencing from 1st May of each year.

As the amount now available out of the allotment to this this District for the current year is only Rs.500/- the full amount of this loan could not be met from this and so fresh allotment to this District for this purpose is necessary.

As the applicant wants to take up the whole improvements at one stretch, he prays for the grant of the entire amount of the loan in one lump instead of instalments.

For Revenue Commissioner.

Shama Rao, Khayamguttadar, Garudanpalya village, Malur Taluk for a loan of Rs.2500/- I have the honour to state that I have inspected the estate on which the applicant has spent a lot of money. Unfortunately the area fit for fruit culture is limited, the best having been planted up with Tamarind trees. The land now available is suited for indigenous fruit plants such as Guavas, Custard apple, Pomegranate and Cashewnut. In any case, I am of opinion that a loan of Rs.2500/- may be sanctioned.
